

COLUMBIA FENCERS' CLUB NEWSLETTER

Re-start update: One further unexpected delay, but plans are in progress.

Happy Spring to our CFC Fencers & Friends, and our 176 prospective fencers eager to start!

Hoping you and your loved ones are well and enjoying the start of spring! It's great to see COVID rates finally coming down, and I hope the BA.2 variant will not reverse that trend.

It's with a good bit of frustration that I report a further unexpected delay in our plans to restart and ask your continued patience. Plans are underway despite this further postponement of our restart. We'll provide more definite info as soon as available. Meanwhile, I'm excited to alert you to two outstanding opportunities in our area that I hope you'll take advantage of!

COLUMBIA FENCERS' CLUB NEWSLETTER

ALL IN-PERSON MEETINGS STILL POSTPONED.

CFC is still paused, since March 15, 2020. This is our first and only halt in 35 years.

Useful Information for our Restart

USA FENCING MEMBERSHIP: All participants in CFC activities (fencing classes, lessons, open bouts, etc.) including “Drop-In” fencers from other clubs, must be members of USA Fencing.

The USA Fencing season runs Aug 1, 2021- July 31, 2022. New fencers joining after April 1 are credited with membership extending through July 31, 2023.

<https://www.usafencing.org/membership> (types of memberships)

<https://member.usafencing.org/membership-types> More on types of memberships

<https://member.usafencing.org/> Login or create an account to Join USA Fencing or Renew

Columbia Fencers' Club is a “Premium Club” of USA Fencing (formerly called an Insured Member Club). As before, this requires that all participants in our fencing activities be members of USA Fencing. The minimum individual membership level is called “**Noncompetitive**” (\$10 per year).

This is appropriate for all beginners and noncompetitors. There is a **new membership category** for individual members who compete called the “**Access Membership**” level (\$25 per year). **Access members can compete at all sanctioned local tournaments** including Qualifiers. “**Local tournaments**” are considered **anything you can register for on AskFred.**

CFC REQUIREMENTS RE: FACIAL COVERINGS (mask under the fencing mask): This will still be required by CFC until further notice based on vulnerabilities of many in our group.

CFC VACCINATION REQUIREMENT: CFC will also require proof of vaccination for all participants and spectators admitted into the fencing area.

USE OF CFC FENCING EQUIPMENT: In compliance with USA Fencing's recommendations to minimize shared use of equipment, we will be assigning a set of gear to beginning fencers that you will take home and bring to class for each meeting. A deposit at the first class will be refunded when you return the equipment at the last class. Fencers will have an option to purchase or rent gear. You do not have to purchase any gear until you have had an opportunity to try this exciting sport.

We can provide all our fencers with information about purchasing a new starter set from fencing companies, or discounted gear from the club or from fencers who may wish to sell gear they have outgrown or no longer use. Details about plans are forthcoming. [Sellers: Try on your gear and see what fits. I suggest you make a detailed inventory of whatever you may wish to sell, including description of item, size, RH/LH, brand, company, foil/epee, electric/nonelectric, its condition, etc.] We will announce a way to share information closer to our restart.

POLICIES & PROTOCOLS: We will announce more on our program & schedule as soon as possible.
