CFC HEALTH POLICIES: CFC requires all fencers and spectators in the fencing area to be COVID-vaccinated and wear a facial covering. We are taking health measures we know are more cautious than some groups and institutions. Unlike students in classrooms, colleagues in offices, and friends having lunch, our sport involves athletic exertion directly facing training partners, and our members range in ages and underlying conditions*. We support everyone's health and participation in our fantastic sport. It's no surprise that fencers often refer to our sport community as our Fencing Family. While vaccinations do not "prevent" someone from getting COVID-19, we know that (1) vaccinated communities have lower infection rates and less severe cases than unvaccinated communities, and (2) the risk of immediate and longterm harm to children and adults from actually *getting* COVID-19 is higher than the risk of harm from the vaccine. (Sources available. Questions welcome.) Our policies are data-based from scientific studies. Thank you for your ongoing cooperation. We will do our best to minimize your risk of COVID-19 exposure in our fencing community. (If you are not feeling well, please stay home that night.)

*Please note: Per the CDC, a person who is over 65 or who has any of the medical conditions listed in the link below is more likely to get very sick with COVID-19. Some of these include: ADHD, moderate to severe Asthma, Cancer, Diabetes, Depression, Heart disease, Overweight and Obesity, Physical inactivity, current or former Smoker, and more. <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html>. Per JAMA (Journal of the American Medical Association), community face mask use is associated with lower transmission of SARS-CoV-2. <https://jamanetwork.com/journals/jamanetworkopen/fullarticle/2811136>

USE OF CFC FENCING EQUIPMENT: You do not have to purchase any gear in order to try this exciting sport. We will be assigning a set of gear to beginning fencers that you will take home and bring to class for each meeting. Rental is \$130 for the 4-week session—this includes a \$100 deposit that is reissued to you when you return the equipment at the last class. Fencers have the option to purchase a set of gear, or to pay \$30 per month to continue to rent gear. We will provide all our fencers with information about purchasing a new starter set from fencing companies, or discounted gear from the club or from fencers who may wish to sell gear they've outgrown or no longer use.

USA FENCING RULEBOOK: The most recent rulebook is January 1, 2023. Knowing the rules helps you as a fencer! https://cdn1.sportngin.com/attachments/document/50d1-2852036/2023-01_USA_Fencing_Rules.pdf

SIGN-IN sheet & "Penalty" Policy: CFC still requires all fencers and guests to sign the Sign-In sheet in the fencing area each evening you attend. Club members know our longstanding rule and tradition that if you forget and leave without signing in, there is a "penalty"— You are required to bring a homemade treat, e.g.,

Cookies or Brownies to your clubmates at your next meeting. We have discovered talented bakers in our Club! Please be sure the treats are individually wrapped for take-home, complying with gymnasium rules! Thank you!!

HOW DO I FIND OUT ABOUT TOURNAMENTS?

Upcoming local tournaments & clinics throughout the country are listed on <https://askfred.net/> (FRED is an acronym for Fencing Results and Events Database). On the Home page, where it says Find Fencing Events Near _____, type "Columbia" or your zip code into the default space where it says "New York City".

Check "[AskFRED](#)" regularly as events are often added & cancelled. **Questions? Ask Jane.**

"**Access**" level membership in USA Fencing permits you to register for sanctioned local tournaments (those on askfred.net) including National Qualifiers. "**Competitive**" level membership is required to register for National and Regional events. **You may upgrade your membership anytime throughout the year if required.**

Regional events for 2023-24 are listed at <https://www.usafencing.org/regional-calendar>

The SC Division website lists local events for the season. This is updated regularly. <http://scfencing.org/calendar/>

For **Age and Classification Eligibility** rules for the 2023-24 season, see the chart at <https://www.usafencing.org/age-classification-eligibility>.

COACHING AT COMPETITIONS: If you would like coaching at upcoming competitions, please contact Jane preferably at least a month in advance.

WHAT ARE "CLASSIFICATIONS"? Letter classifications (starting from Unclassified "U", "E", "D", "C", "B", "A") are earned by winning or placing at tournaments according to how many fencers entered, their classifications, and where they finish. Classifications also show how recently the competitor earned that classification. See the USA Fencing Event Classification Chart. <https://askfred.net/info/eventClass.php>

Questions? For example, what should I enter? **Ask Jane!**
